Brand approved
merchandise**

Important information

All the items in this catalog are available for purchase. If the item you're looking for isn't listed, you can still proceed by following the [buying guide](#) and clearly specify what you're seeking. Please keep the following in mind when selecting or proposing merchandise:

- **Brand Consistency:** Merchandise can only be in Accenture purple (or as close to it as possible), black, white, or grey
- **Approved Branding Only:** Use core Accenture branding only. Avoid acronyms, co-branding (except for Diamond clients), or references to specific teams, events, or campaigns.
- **Sustainability:** Merchandise should be durable, practical, and designed for long-term use. Items with specific campaign or event branding quickly become obsolete and are more likely to be discarded. Please avoid low-quality, one-time-use items. These often end up in landfills and don't reflect our sustainability values or brand standards.

Maintaining a unified brand presence is essential. Eliminating team-specific branding helps us appear as a stronger, more connected organization.
